Donor's Consent

UC Irvine is grateful for the support it receives from friends and alumni. One of the ways our thanks is expressed is through listing the names of donors in various publications and press releases. Should you not wish that your name appear as a donor, please notify our office and also check the approximate box on this form.

The University of California, Irvine Foundation

The University of California, Irvine Foundation is a California nonprofit, public benefit corporation organized for the purpose of encouraging private support for the benefit of UCI and is recognized under both federal and state laws as a qualified recipient of tax-deductible, charitable contributions (federal ID 95-2540117). Responsibility for governance of the Foundation, including investments, is vested in its board of trustees which is composed of community leaders and senior campus administrators. All gifts are subject to UCI's administrative fee policies for gifts to the campus.

Binding Obligation

The donor intends this gift and/or pledge to be fully enforceable against the donor to the extent that the obligation has not been satisfied by gifts completed following the date of this gift and/or pledge.

Future Considerations

The Foundation and UCI are grateful for the Donor's support of the campus and are committed to fulfilling the Donor's objectives reflected in this Agreement. As research and academic programs move forward, there is the possibility that it may become impracticable for this Gift to serve the specific purpose of the stated intentions. If this unlikely circumstance should occur, UCI will consult with the Donor, if possible, or the Donor's estate, if practicable, and the UCI Chancellor shall direct that the Gift be devoted to UCI purposes that the Chancellor deems to be most consistent with the Donor's wishes.
